Bionic Beats

A MONTHLY PUBLICATION

Outreach Visit to Côte d'Ivoire

This past month, one of our clinicians, **Brian Little CPO**, joined 1040i's biannual prosthetic outreach trip to Tanda, Côte d'Ivoire, an experience that proved both humbling and life-changing. Over the course of the week, the team served 41 patients, including children and adult patients. Their work included; 22 prosthetic deliveries, 15 new casts, 4 repairs for patients who traveled hundreds of miles after waiting months for a chance to walk again. The dedication of the clinical team, combined with locally adaptable prosthetic solutions, ensured great functional outcomes and also long term impact for patients who will continue to benefit until the next outreach. Moments like these highlight the incredible determination of the patients themselves and the role of Bionic Prosthetics and Orthotics in supporting a shared goal of accessibility.

WHAT'S HAPPENING AT Bionic

Bionic with **Madhu Dash (BPO, CFo, CFts)** and **Jay Padhi (MSPO),** had a wonderful in-service meeting with the Physical Therapy team at **RHI-Rehab Hospital of Indiana**, with nearly 50 therapists in attendance. Along with **Tony Gutierrez (CP)** who came down and supported the presentation. The session was a great success and filled with meaningful discussion, education, and collaboration. One of our patients, even traveled all the way from Lafayette to share his personal experience, which made the event even more special and impactful for everyone there, it was an inspiring and successful event.

Great day at **Bellin College** in **Wisconsin**! Our O&P clinicians **Allen Johnson, Chris Welch (CPO), Matt Eckdahl (P&O Resident), Tim Kading (CP)** with **Angela Morgan (DPT)** had the opportunity to teach DPT students in a hands-on session focused on prosthetics, orthotics, and real-world collaborative care. The students were engaged, curious, and eager to learn how O&P and PT work together to improve patient outcomes. Grateful to the Bellin faculty and students for welcoming us into the classroom!

COMMUNITY GIVING HIGHLIGHTS

Bionic North Western Indiana had a food pantry donation to **Porter County** area career center

Kentucky/Tennessee Regional Donation to Kids Club for their Food Pantry food drive!

Food Drive Time at the **Mishawaka** location to help families in our community stay nourished and supported during this giving season!

Bionic Melbourne team is spreading holiday cheer with a growing collection of donations for our local Humane Society, the box is already filling up with items that will make a meaningful difference for pets in need this season.

Florida region charity and donations for the **Humane Society**. Each of their locations have a donation box in the lobby area. They are already starting off with a great momentum
